WORK EXPERIENCE

AI Creative & Production Lead Optix

02/2025 - Present Dubai

Optix is the AI-driven production division of Prodigious, fusing creativity and technology.

Achievements/Tasks

- Produced AI-Generated Videos for clients such as e&, GMC, Salam, Saudia Airlines, and Philip Morris International.
- Created Content for OptixAI's AI-Capabilities deck, highlighting the AI-Features we bring to the Publicis Groupe as a whole; Image and Video Generations, Music Generation, Virtual Try-Ons, Virtual Avatars & Models, AI-Translation & Lipsync, etc.
- Leading the OptixAI team in adopting new and evolving AI technologies, and mentoring on their use.

AI Team Lead - Content Saatchi & Saatchi

11/2023 - Present Dubai, United Arab Emirates

Advertising & Communications Company

Achievements/Tasks

- Led AI-Driven Content Strategies:** Integrated AI tools like Claude AI, KlingAI, RunwayML, HeyGen, and ComfyUI to develop innovative content for high-profile clients, driving engagement and campaign success.
- Creative Campaign Development:** Directed creative vision for campaigns, blending traditional storytelling with AI-enhanced content to align with brand goals and resonate with diverse audiences.
- Cross-Functional Team Leadership:** Managed a team of creatives and AI specialists, ensuring collaboration across departments to deliver cohesive, impactful content that met deadlines and client expectations.
- Advanced AI Projects:** Led development of AI-driven avatars for customer personas and a locally hosted LLM, integrating e&'s data and brand guidelines for personalized content and strategic initiatives.
- Strategic Alignment with Senior Leadership:** Collaborated with Senior Manager and VP of Brand & Communications at e&, seamlessly integrating AI into communication and marketing efforts.
- AI Expertise for Cross-Client Projects:** Supported Saatchi's AI work for ADNOC, contributing to AI frameworks that strengthened the agency's position as a leader in digital innovation.
